

# THE NEW FACE OF COOL!

## ENGINEERING SETTING THE BAR TO NEW HEIGHTS

All Vanguard trailers are built with more value-added components and galvanized metal than any other trailer on the market today.

Vanguard CIMC is committed to increasing your profit margins through products with leading efficiency, top quality materials, and superior workmanship.

### Vanguard CIMC: Industry Leading Ingenuity

Vanguard Dry Freight Vans have established themselves as a leader in the trailer industry. Pairing Vanguard's success with CIMC's product knowledge in the refrigerated container industry, Vanguard CIMC has created a combination of ingenuity and expertise that has never been produced by another trailer manufacturer.
